

Ground-recessed lighting

100%

unexLED

Profilkönig

Via LED Recessed ground light IP67

one / two / three

1.2W	350mA	3000K	5-80lm	50'000h L70	
exkl.	IP67 60°	CRI 80	CE	U _F 3-4V	

5 meter connection cable
Series circuit with several lamps

OSRAM

Panel jack

180-208-70
Via LED

180-205-70
Via LED one

180-206-70
Via LED two

180-207-70
Via LED three

180-205-70	Via LED one	5lm	Stainless steel incl. panel jack
180-206-70	Via LED two	10lm	Stainless steel incl. panel jack
180-207-70	Via LED three	15lm	Stainless steel incl. panel jack
180-208-70	Via LED	80lm	Aluminium incl. panel jack

Recommended Power Supply

27440-350-04 Power supply unit 350 mA, IP68, On/Off

Recommended accessories

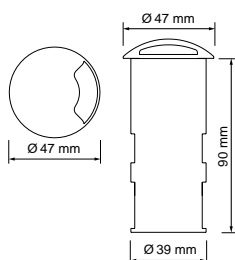

29634-000-00 Screw terminal 3P, IP68

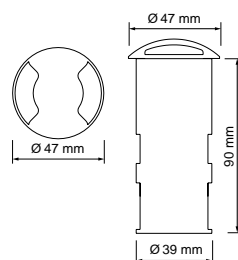

30285-000-00 branch screw terminal 3-pole IP68

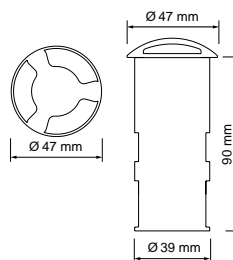

Via LED one

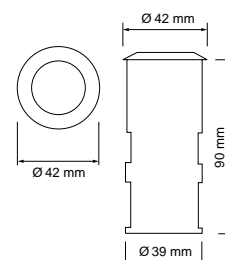

Via LED two

Via LED three

Via LED

Rivo LED recessed ground light round IP65

3W	700mA	3000K	150lm	50'000h L70	
exkl.	IP65 65°	CRI 80	CE	U _F 3-5V	

5 meter connection cable

Series circuit with several lamps

OSRAM

<<Indoor no walk over>>

Information

- Dimmable upon request (Dali or 1-10 V)
- suitable for wall mounting

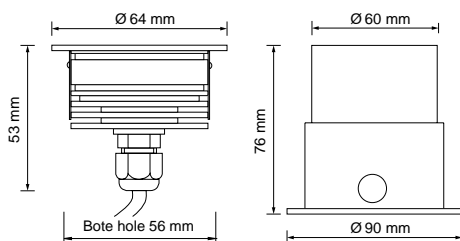

25817-018-70 Aluminium
25817-018-99 Panel jack aluminium

Recommended Power Supply

27440-700-04 700mA IP68 On/Off

Recommended accessories

29634-000-00 Screw terminal 3-pin IP68

Rivo LED recessed ground light square IP65

3W	700mA	3000K	150lm	50'000h L70	
exkl.	IP65 65°	CRI 80	CE	U _F 3-5V	

5 meter connection cable

Series circuit with several lamps

OSRAM

<<Indoor no walk over>>

Information

- Dimmable upon request (Dali or 1-10 V)
- suitable for wall mounting

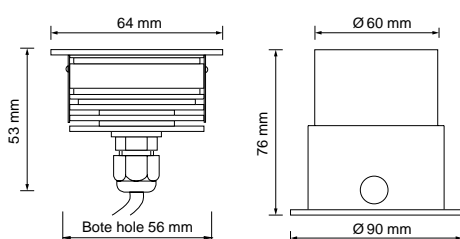

25817-019-70 Aluminium
25817-018-99 Panel jack aluminium

Recommended Power Supply

27440-700-04 700mA IP68 On/Off

Recommended accessories

29634-000-00 Screw terminal 3-pin IP68

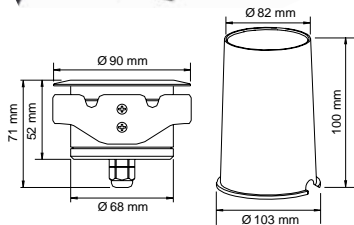

Mini LED recessed ground light IP67

4W	350mA	3000K	250lm	50'000h L70	
exkl.	IP67 15°	CRI 80	CE	U _F 8.5-11V	

3 meter connection cable

Series circuit with several lamps

660-111-70 Aluminium
660-011-99 Panel jack made of plastic

Recommended Power Supply

27440-350-04 Power supply unit 350mA IP68 On/Off

Recommended accessories

29634-000-00 Screw terminal 3pin, IP68

Information

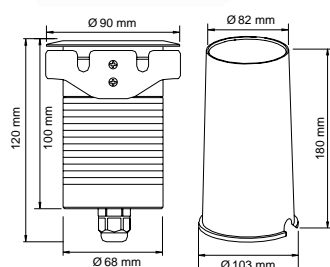

- Dimmable upon request (Dali or 1-10 V)

Maxi LED recessed ground light IP67

11.5W	500mA	3000K	800lm	50'000h L70	
exkl.	IP67 20°	CRI 80	CE	U _F 20-25V	

3 meter connection cable

Series circuit with several lamps

660-112-70 Aluminium
660-012-99 Panel jack made of plastic

Recommended Power Supply

27440-500-20 Power supply unit 500mA IP68 On/Off

Recommended accessories

29634-000-00 Screw terminal 3pin, IP68

Information

- Dimmable upon request (Dali or 1-10 V)

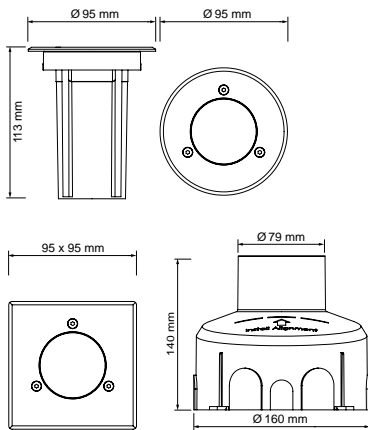

L10 Recessed ground light IP68

Optimal installation

230V	4.7W	3000K	300lm	50'000h L80	
inkl.	24°	IP68	CRI 80	CE	

Swivelling, with pre-assembled connection box for through-wiring

CITILED

Information

- High quality and stable installation box
- Silicone seals
- Easy and safe installation with the connection box
- Swivelling light emission

180-210-70	round	Aluminium/stainless steel
180-211-70	square	Aluminium/stainless steel
180-210-99	Plastic housing for concrete applications	

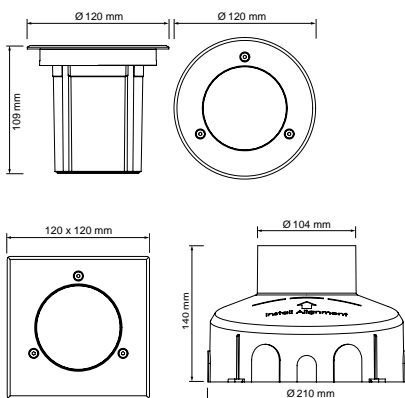

L10 Recessed ground light IP68

Optimal installation

230V	6.2W	3000K	550lm	50'000h L80	
inkl.	24°	IP68	CRI 80	CE	

Swivelling, with pre-assembled connection box for through-wiring

CITILED

Information

- High quality and stable installation box
- Silicone seals
- Easy and safe installation with the connection box
- Swivelling light emission

180-212-70	round	Aluminium/stainless steel
180-213-70	square	Aluminium/stainless steel
180-212-99	Plastic housing for concrete applications
